

PEACE AND FREEDOM
THRU NONVIOLENT ACTION

May 27, 1974

Dear Dan,

We wanted to let you know that the WIN Collective is going into the book publishing business. We have the people and the facilities to produce good books cheap, and we're in the process of working out an arrangement with a distributor to ensure that we remain "competitive with the trade." We hope to see our first books roll off the presses some time next winter or spring.

So if you(or a friend) have need of an honest radical publisher, here we are. If you have any ideas, questions or scruples about the project, please let us know.

Best from everyone.

Peace,

Fred Rosen
